## Description:

Your new home at Heritage Place gives you a peaceful place to unwind and the knowledge that your commute is quicker than it would be if you lived in Sioux Falls. With over 1,200 sq ft of living space, this 2 bedroom 2 bath unit offers an appealing and open floor plan that is guaranteed to rent up quickly. You won't be able to help but to fall in love with the size of the master bedroom, its large walk in closet and bath. Each unit has a fully equipped eat in kitchen with stainless steel appliances and attractive finishes throughout. Front load laundry machines, individual water heater and gas furnace make for efficient utility bills. Each unit has their own private entrance, attached single stall garage, and plenty of off street parking. Additional garages are available and are the perfect place for storing your "toys" or that second vehicle.

The excellent curb appeal at Heritage Place is just one more reason that you will look forward to coming home each and every day. Unwind by grilling or just relaxing on your patio/deck during the warm months. We will help to keep you warm by clearing your driveway during the cold and snowy months too. We are a pet friendly community so be sure to ask for details if you are a pet lover.

AVAILABLE 8/1/19 and they don't stay on the market long. Reach us today by calling or texting us at (605.310.0705) we'd love to share more information with you. We look forward to having you become a member of our community. [www.heritageplacebrandon.com](http://www.heritageplacebrandon.com)
